

WEVL Concert/Live Music Submission Guidelines

First, please note that WEVL only has two full-time paid employees plus one part-time assistant. Please send your show notices to wevl@wevl.org at least five days in advance with only the basic info listed below, and we'll try our best to get it in our live music book, but cannot guarantee this.

Also note that we do not announce music events that are sponsored or co-sponsored by another radio station or that occur the same week as a WEVL fundraising concert.

Please contact us about paid announcements ("underwriting") which will guarantee your show gets announced when you want it. Most of our shows are hosted by community volunteers, and announcing concerts is optional, not mandatory. Call 528-0560 or e-mail brian@wevl.org about underwriting.
